PANTUM

The New Era for Printing

PRINTING SHOULD BE
SIMPLE

Commercial Guide 2015

Business is complicated.
Printing should be simple.

At Pantum, we understand your printing experience should be effortless and trouble-free. Our printers are designed to be just that. They don't jam, they don't break, and they don't have unnecessary features. We promise a new era of simple printing. Because simple is best; because less is more.

Simply Smart.

Pantum.
The New Era for Printing.

Pantum is an international producer and provider of professional printing solutions. Backed by 14 years of experience in the industry, we specialize in producing reliable and durable printers that provide a simple printing experience. Always innovating, we are continuously expanding and perfecting our product line. We promised a new era for printing, and the revolution has just begun.

Prints black, thinks green.

At Pantum we are committed to helping you make smarter choices for the environment.

For us, environment is never an afterthought. By combining innovation, energy-efficiency, and eco-friendly design, we make sure your printing experience has a lighter impact on our planet. From product design and choice of materials to packaging and recycling, we have made concrete efforts to minimize environmental impact. Together, we can make printing not only simpler, but also greener.
